

event chair

Preeya Bailie, Managing Director,
King's Facilities Management (KFM)

We're delighted to welcome Preeya Bailie as Chair of the Procure4Health Symposium London. With deep expertise in NHS commercial strategy and transformation, Preeya will guide all the day's panel discussions, bringing strategic insight to the critical challenges and opportunities shaping healthcare procurement. Her leadership will help ensure rich dialogue and meaningful outcomes across the agenda.

Panel Discussion 1

Unleashing Innovation in the NHS: A Blueprint for Discovery and Implementation

10.00am – 10.45am

This session will explore how innovation and commercial thinking in NHS procurement can drive efficiency, sustainability, and better patient care. It will examine how new technologies, partnerships, and strategic procurement practices can transform outcomes, while considering how far commercial approaches should go in shaping the NHS of the future.

Speakers include:

Steve Dunkerley

Chief Commercial Officer,
NHS London Procurement
Partnership

Mindy Simon

Co-Director, NHS Innovation
Accelerator

Alison Kerfoot

Head of ICS Procurement
Solutions, NHS Shared
Business Services

Skills & Capability

Panel Discussion 2

The Journey to a Net Zero NHS – Why Partnership and Collaboration are Crucial

10.45am – 11.30am

This session explores how the NHS can achieve its Net Zero 2045 goal through stronger supply chain collaboration and innovation. It will consider progress so far, the role of suppliers, procurement models that drive the right behaviours, and how reform, structural change, and political challenges could impact delivery.

Speakers include:

Janet Smith

Head of Sustainability, Royal
Wolverhampton NHS Trust
and Walsall Healthcare
NHS Trust

Alexandra Hammond
